INTRODUCTION

The Endless Welfare foundation is a non-profit and non-political organization for disabled persons established in Lahore Pakistan under the societies **Registration Act, XXI of 1860 with the no. RP/11653/L/S/2019/1605**. Established with the vision of creating an inclusive and empowered society, and provides a wide range of services including mental health support, rehabilitation and therapeutic interventions, education and training services, empowerment of women and youth, protection and development of the transgender community, and specialized programs for children with physical & intellectual disabilities. Through awareness campaigns, community outreach initiatives, professional training courses, and social welfare projects, Endless Welfare Foundation strives to address real societal challenges & bring meaningful, sustainable change.

PATRON IN CHIEF MESSAGE

The endless welfare foundation enjoys a respectable position as a seat of special learning among the reputed organizations or foundations of the world on the account of its rich cultural, socio economic status heritage and feasible opportunities being provided to a multitude of our special person's community or differently able community for getting quality treatment at an affordable cost. My objective is to improve the quality of life of special children. Society does not acknowledge the value of care givers of these children. At Endless Welfare Foundation, we strive to uplift humanity through compassion, service, and sustainable development. Our areas of work include mental health support, rehabilitation services, education for special children, empowerment of transgender individuals, youth development, women empowerment, and community welfare initiatives. Each project reflects our commitment to building a society where every person can live with respect & hope.

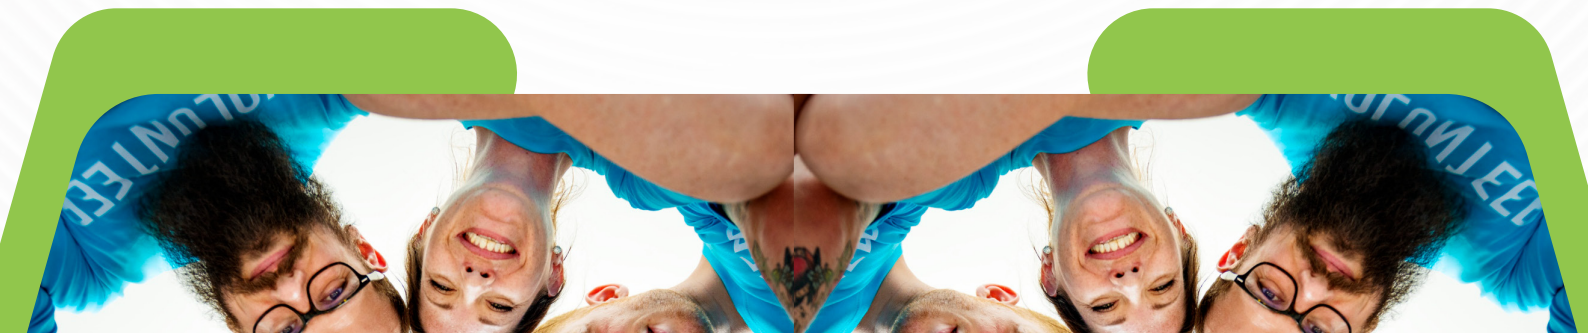

**BRIGADIER
MUHAMMAD YOUSAF**

CHAIRMAN MESSAGE

My mission and objective is to raise the productivity of endless welfare foundation through special education, mental health treatment free of cost for underprivileged persons through vocational training, behavior therapy, IEP and many more to differently able children and students to make livelihood for themselves and practical knowledge to contribute in a significant way to the national community. Endless welfare foundation works for the betterment in the life of communities through child protection, drug addiction prevention and online and in-person Quran tutor and Islamic education.

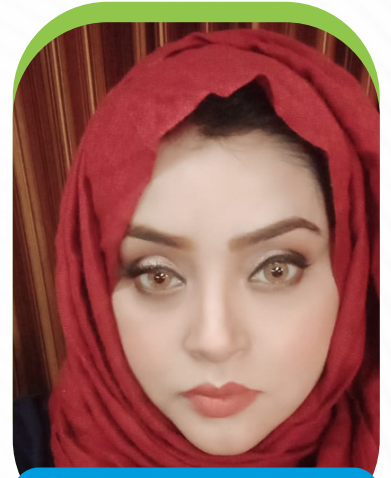

CH. NAEEM AHMAD
CEO/FOUNDER

SENIOR VOICE CHAIRMAN MESSAGE

As Voice Chairman, I humbly extend my gratitude to all supporters, partners, and well-wishers who have walked alongside us in this meaningful mission. Together, we are planting seeds of change — nurturing lives, strengthening communities, and shaping a better future for all. Endless welfare foundation works for the betterment in the life of communities through child protection, women development, human right awareness and transgender protection and awareness. We believe that lasting change begins with awareness, acceptance, and action. Our team of professionals, volunteers, educators, therapists, and social workers work tirelessly to create safe spaces, provide essential services, and inspire positive transformation in the lives of those we serve.

DR. AFSHAN KARIM
National Peace Council of Pakistan

DIRECTOR MESSAGE

It gives me immense pride to share the vision and mission behind the Endless Welfare Foundation. Our journey began with a simple belief: Every human being deserves dignity, care, and equal opportunities to grow. Over the years, we have worked with unwavering dedication to support individuals and communities who are often overlooked, misunderstood, or marginalized. Endless Welfare Foundation & rehabilitation centers work on five areas of special child-like behavior, Speech, sensory, Occupational and vocational with the collaboration of trained staff. Our commitment is to collaborate with your family and other support providers for a health care experience.

MISS AYESHA ATTA
Consultant Clinical Psychologist

OUR VISION

Our vision is to bring positive change in Pakistan by removing barriers that have created division of classes in our society. Through our programs in education, therapy, skill development, counseling, community outreach, health awareness, & social protection, we aim to create a society where every person is valued, included, and given the opportunity to live a life of purpose, independence, and respect.

OUR MISSION

The mission of Endless Welfare Foundation is to promote human dignity, equality, and well-being by providing compassionate support, education, healthcare, rehabilitation, and empowerment opportunities to individuals and communities in need. We work with dedication to uplift marginalized groups, including persons with disabilities, children with developmental challenges, individuals facing mental health issues, the transgender community, women, youth, and underserved families.

VISION

Mental Health Care

Endless Welfare Foundation, we believe that mental health is just as important as physical health. Unfortunately, many people suffer in silence due to social stigma, lack of awareness, or limited access to professional care. To address these challenges, our foundation works through a multifaceted approach that includes awareness campaigns, counseling services, training programs, and community outreach.

Comprehensive Mental Health Support: Providing accessible, community-based mental health services for children, youth, adults, and families.

• **Early Identification & Intervention:** Screening for emotional, behavioral, and developmental issues to ensure timely and effective support.

Therapeutic Services:

- Cognitive Behavior Therapy (CBT)
- Behavior Therapy (BT)
- Play Therapy
- Speech & Occupational Therapy (linked with developmental needs)
- Addiction & Trauma Counseling
- Occupational Therapy
- Sensory Therapy
- Vocational Therapy

Happiness Mind Care Center

Endless Welfare Foundation established the Happiness Mind Care Center — a dedicated initiative focused on mental health promotion, psychological treatment, and emotional support for individuals and families in need. The Happiness Mind Care Center operates under the vision of creating a community where mental health is valued, understood, and supported with compassion. It provides a safe, confidential, and healing environment for people struggling with emotional distress, behavioral challenges, or psychological disorders. The center's mission is to promote happiness, resilience, and inner peace through therapeutic care, counseling, and community education. Specialized facility offering emotional wellness programs, psychological assessments, and therapeutic interventions for improved quality of life.

Youth Emotional Well-being:

Programs focused on stress management, self-confidence building, & life-skills development.

Support for Vulnerable Groups:

Tailored care for women, children, people with disabilities, & transgender individuals facing mental health challenges.

Crisis & Emergency Response:

Emotional first aid and psychological support for individuals in urgent need.

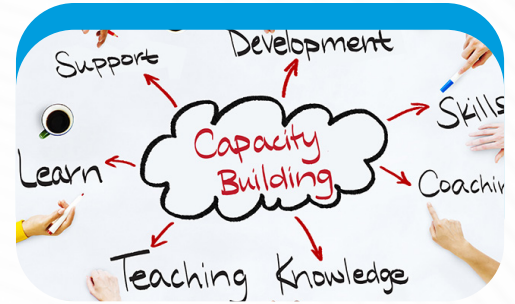

Recovery & Rehabilitation:

Long-term mental health rehabilitation plans, self-care training, & community-based reintegration.

Capacity Building & Training:

Workshops and training sessions for teachers, parents, volunteers, & professionals on mental health awareness & supportive care.

Confidential & Respectful Environment:

Ensuring dignity, privacy, and ethical care for every individual seeking mental health support.

Special School for Mentally Disabled Children

Endless Welfare Foundation is deeply devoted to creating an inclusive and supportive environment for children with mental and developmental disabilities. Understanding that every child has unique abilities and potential, our foundation established a Special Education School to provide quality education, therapeutic interventions, and emotional support to children with intellectual and developmental challenges.

Inclusive & Supportive Learning Environment:

Providing a safe, nurturing space for children with developmental, physical, intellectual, & learning disabilities.

Individualized Education Plans (IEPs):

Customized learning goals designed according to each child's strengths, needs, and learning pace.

Early Intervention Programs:

Screening, assessment, and early therapy for children to improve developmental outcomes.

Skill-Based Academic Learning:

Modified curriculum focusing on academic basics, communication skills, social interaction, & daily living skills.

Therapeutic Services within School:

- Speech & Language Therapy
- Occupational Therapy
- Behavioral Therapy (ABA/BT)
- Sensory Integration therapy

Life Skills & Functional Training:

Self-care, hygiene, dressing, feeding, safety awareness, and independent living training for long-term empowerment.

Behavior Management & Emotional Support:

Structured behavior plans to address challenging behaviors and build positive coping skills.

Parent Counseling & Training:

Equipping families with strategies to support their child's learning and behavior at home.

Regular Assessments & Progress Reports:

Continuous monitoring of student progress, with monthly or quarterly updates to parents.

Co-curricular & Social Development Activities:

Sports, art, music, group play, and community integration programs to support holistic development.

Assistive & Adaptive Learning Tools:

Use of communication boards, sensory materials, visual aids, and specialized teaching resources.

Transition & Vocational Training:

Preparing older students for vocational skills, independence, and community participation.

Drug Addiction

The Endless Welfare Foundation has established a comprehensive Addiction Rehabilitation Center dedicated to helping individuals struggling with substance abuse and behavioral addictions reclaim their lives with dignity, care, and support. Our center serves as a beacon of hope for those affected by drug dependency, alcoholism, and other addictive behaviors—offering a holistic approach to recovery that addresses not just the physical aspects of addiction, but also the emotional, psychological, and social dimensions.

Report Progress

Assessment & Screening:

Identifies the level of addiction, psychological condition, & individual needs through professional evaluation.

Rehabilitation & Treatment:

Provides structured drug rehabilitation services including detox support, counseling, behavior therapy, and relapse-prevention planning.

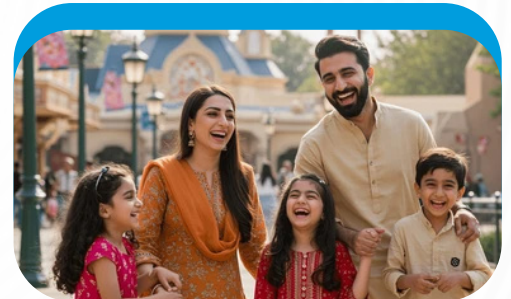

Therapeutic Support:

Offers CBT, Behavior Therapy, emotional regulation training, group therapy, and motivational sessions to support recovery.

Family Involvement:

Engages families through counseling, awareness sessions, and guidance to create a strong home-based support system.

Awareness & Prevention:

Conducts community awareness drives, youth education seminars, & school based programs to prevent substance abuse.

Recovery & Reintegration:

Supports individuals after treatment through follow-up sessions, life skills training, & community reintegration programs.

Child Protection & Development

Children are the most precious resource of any nation and represent the hope and promise of a better future. Recognizing this, Endless Welfare Foundation has made child protection and development one of its key focus areas. The foundation is deeply committed to ensuring that every child grows up in a safe, nurturing, and empowering environment—free from abuse, neglect, exploitation, and discrimination. Endless Welfare Foundation believes that every child has the right to survival, protection, education, and participation as enshrined in the United Nations Convention on the Rights of the Child (UNCRC).

Child Safety & Rights Protection:

Ensures the safety, dignity, and rights of children through safeguarding policies and protective interventions.

Rescue & Support Services:

Provides support for vulnerable, abused, neglected, or at-risk children through safe shelter referrals, counseling, & immediate care.

Psychological & Developmental Support:

Offers assessments, counseling, behavior therapy, and emotional support to promote healthy mental and social development.

Educational & Skill Development Programs:

Provides learning support, life skills training, & developmental programs to help children grow academically and socially.

Family & Community Awareness:

Conducts awareness sessions, parenting programs, & community outreach to prevent child abuse & promote child well-being.

Case Management & Follow-up:

Maintains structured case management, progress tracking, & follow-up support to ensure long-term protection and growth of each child.

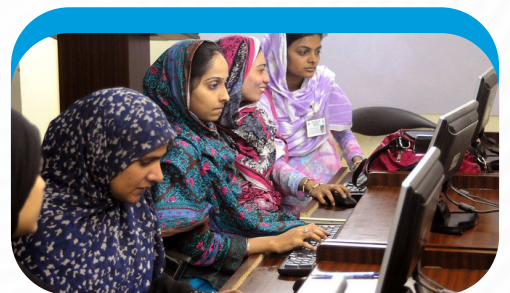

Women Development

Endless Welfare Foundation has made Women Development and Empowerment one of its key missions. Through dedicated programs and community initiatives, the foundation strives to uplift women by promoting education, skill-building, self reliance, & social inclusion. The Women Development Program at Endless Welfare Foundation aims to create opportunities for women to grow intellectually, socially, & economically. Our approach focuses on empowering women to become confident, capable, and independent members of society. We work especially with women from underprivileged and marginalized communities who lack access to education, financial resources, or equal opportunities.

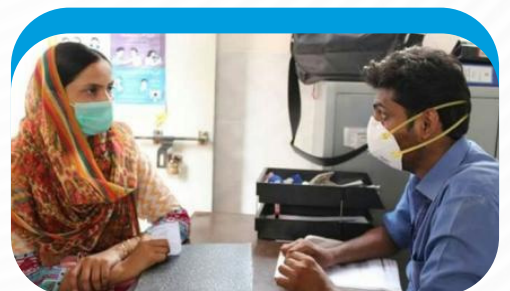

Empowerment & Skill Training:

Provides vocational training, capacity-building workshops, and income-generating skills to help women achieve economic independence.

Counseling & Emotional Support:

Offers psychological counseling, stress management, & guidance for women facing social, emotional or domestic challenges.

Awareness & Rights Education:

Conducts sessions on women's rights, health, safety, self-protection, and gender equality to build knowledge and confidence.

Support for Vulnerable Women:

Assists women affected by abuse, discrimination, poverty, or crisis through structured support programs and referrals.

Community Engagement & Leadership Development:

Encourages women to participate in community activities, leadership initiatives, and social development programs.

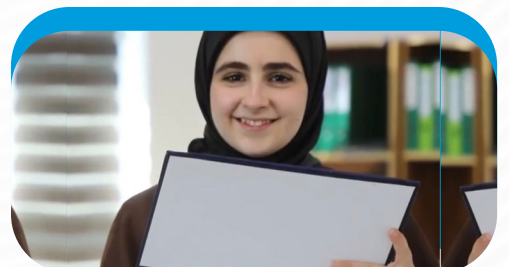

Youth & Nation Development

Youth are the architects of a nation's future – the energy, creativity, and determination that drive progress and change. Recognizing the immense potential of young people, Endless Welfare Foundation has made Youth and Nation Development a central pillar of its mission. The foundation firmly believes that investing in youth means investing in the long-term prosperity, peace, and stability of the nation. The purpose of Endless Welfare Foundation's youth development initiatives is to empower, educate, & engage young people as active contributors to social, economic, and national growth. Our programs are designed to nurture leadership, civic responsibility, and personal development, ensuring that youth not only realize their individual potential but also use it to serve their communities and country.

Youth Empowerment Programs:

Conducts trainings, workshops, & leadership sessions to build confidence, critical thinking, & responsible citizenship among youth.

Career Guidance & Skill Development:

Provides vocational skills, career counseling, workplace readiness training, & entrepreneurship support for youth.

Community Engagement Activities:

Encourages youth participation in social, environmental, & humanitarian initiatives to promote community service & national contribution.

Awareness & Educational Campaigns:

Organizes seminars on mental health, drug prevention, rights awareness, and social values to create informed & responsible young citizens.

National Development Initiatives:

Promotes unity, volunteerism, peace building, & nation-building values by involving youth in development projects & community welfare activities.

Transgender Protection & Development

Recognizing this critical social issue, Endless Welfare Foundation established a comprehensive program dedicated to Transgender Protection and Development, aiming to restore dignity, ensure inclusion, and create sustainable opportunities for transgender individuals across Pakistan. The Transgender Protection & Development Program of Endless Welfare Foundation is guided by the principle that every human being deserves respect, opportunity, and acceptance. Our mission is to promote equality, end marginalization, and empower transgender persons to lead fulfilling, self-reliant, & respected lives within mainstream society.

Protection & Rights Advocacy:

Promotes the safety, dignity, and legal rights of transgender individuals through awareness, support, and protection programs.

Counseling & Mental Health Support:

Provides psychological counseling, emotional support, & therapy services to address stigma, trauma, and social challenges.

Skill Development & Vocational Training:

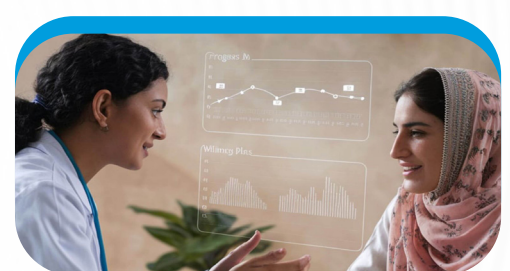

Offers vocational skills, income-generating opportunities, and professional training to support financial independence.

Health & Well-being Support:

Conducts awareness sessions on physical & mental health, self-care, & access to essential healthcare services.

Community Inclusion & Empowerment:

Encourages participation in social activities, leadership programs, & community engagement to build confidence & reduce discrimination.

Vocational Training & Skill Development

The Vocational Training and Skill Development Center at Endless Welfare Foundation is established with the vision of empowering individuals through education, skills, and employment opportunities. The center works to equip youth, women, persons with disabilities, and marginalized communities with practical and market-relevant skills, helping them achieve financial independence and a dignified place in society.

Skill-Based Training Programs:

Provides practical training in trades like tailoring, computer skills, handicrafts, entrepreneurship, and other income-generating activities.

Youth and Women Empowerment:

Focuses on equipping youth, women, and marginalized groups with employable skills for economic independence.

Career Counseling & Guidance:

Offers career planning, job readiness training, & guidance to help individuals identify and pursue suitable career paths.

Workshops & Capacity Building:

Conducts workshops on leadership, communication, teamwork, and professional skills to enhance overall employability.

Community Development Initiatives:

Promotes self-reliance and social contribution by enabling trained individuals to participate in local development projects & start small businesses.

Human Rights & Development

Endless Welfare Foundation works tirelessly to highlight and address issues such as child labor, gender-based violence, human trafficking, discrimination, abuse, and the rights of persons with disabilities. Through our ongoing efforts, we aim to ensure that every individual is treated with respect and provided with equal opportunities for growth and development. One of the key pillars of our human rights program is awareness and education. We organize seminars, workshops, and community sessions to inform the public about their legal and social rights. Our educational campaigns focus on schools, colleges, and communities to cultivate a culture of respect, tolerance, and social responsibility. The foundation also collaborates with legal experts, social workers, and government bodies to promote access to justice for those who cannot afford legal representation or are unaware of their rights.

Rights Awareness & Education:

Conducts seminars, workshops, & community programs to educate people about their fundamental human rights.

Advocacy & Protection:

Supports vulnerable and marginalized groups by advocating for justice, equality, & protection against discrimination and abuse.

Legal Guidance & Support:

Provides guidance, counseling, and referrals to legal services for individuals facing rights violations.

Community Engagement & Empowerment:

Encourages citizen participation in social development & human rights initiatives to promote inclusive and equitable communities.

Community Development Initiatives:

Promotes self-reliance and social contribution by enabling trained individuals to participate in local development projects & start small businesses.

Collective Marriage

Endless Welfare Foundation launched its Collective Marriages Program a compassionate initiative designed to support economically disadvantaged families and promote the values of simplicity, equality, and social solidarity. The Collective Marriages Program aims to reduce the financial pressure on deserving families, enabling them to celebrate their children's weddings with dignity and joy. Through this program, Endless Welfare Foundation organizes well-planned marriage ceremonies where multiple couples are married collectively in a respectful, organized, and culturally appropriate manner. These events are conducted with great care and respect, ensuring that every couple receives equal attention, blessings, and the start of a happy married life.

Support for Underprivileged Couples:

Organizes marriage ceremonies for couples from low-income and marginalized families who cannot afford traditional wedding expenses.

**Financial & Logistical Assistance:**

Provides essential items, wedding arrangements, and basic necessities to ensure dignified and stress-free marriages.

**Community Engagement & Awareness:**

Promotes social harmony and reduces financial burdens by encouraging community participation in collective marriage events.

Counseling & Guidance:

Offers pre-marriage counseling, awareness on family responsibilities, and guidance for healthy married life.

Empowerment & Social Inclusion:

Helps couples start their new life with dignity, promoting social equity and strengthening family and community bonds.
